REPORT OF THE PRESIDENT

Dear Brethren in Christ:

"Grace, mercy, and peace be unto you, from God the Father and our Lord Jesus Christ."

By the grace of God we have been brought together once again to review the work of our Church for the past year and to lay plans for increasing our stewardship in the year to come. We should rejoice in the rich manifestations of His love among us and drink deeply of His grace in these days that try our souls.

Since the last meeting of Synod I have tried diligently to carry out the responsibilities placed upon me, although I am conscious of a number of shortcomings. Some of these have been due to circumstances of the times, particularly the shortage of available men to be called into the parishes that have continued for many months without pastoral leadership. Others, such as my inability to visit all the parishes as they have a right to be visited by the President of Synod, have been due to the weight of the double responsibility of being both a pastor and a president at the same time. But the response of the ministers and churches to my leadership has been gratifying. Your patience with me and my shortcomings has helped me greatly.

Here follows a record of my official acts and other information of value to the Synod:

Appointments

Committees were appointed as required by the Constitution and the usages of the Synod, and are listed in the 1944 Minutes. Changes in this listing have been made as follows:

The Rev. G. C. Schaub, Ph. D., added to the committee on Rural Work.

The Rev. Samuel W. Jensen named as circulation representative of "The Lutheran," and as the Committee on Publications, replacing the Rev. Paul B. Close, deceased.

The Rev. Robert E. Gaston as reporter to "The Lutheran," replacing the Rev. Paul B. Close, deceased.

The Rev. H. Vance Baird as synodical director of Lutheran World Action for 1945, and the three conference presidents as conference directors for this project.

Mr. Ferris Hill, Emporia, and Mr. Wayne Easterday, Topeka, as auditors of the books of Mr. Louis T. Bang, treasurer, as kept by Miss Catherine Ellenberger, assistant to the treasurer. Later, Mr. A. F. Myser, Emporia, was appointed to replace Mr. Easterday, who found that he could not serve.

Changes in the Roll of Synod

By Death

The Rev. Paul B. Close, by drowning, near Fort Smith, Arkansas, September 30, 1944. I conducted funeral services, assisted by the Secretary, George L. Search, and the Southern Conference President, Robert

E. Gaston, together with Chaplain Ruth of Camp Chaffee, at Fort Smith, October 3. The Secretary represented the Synod at the committal service at Manhattan, Kansas, October 4.

By Ordination

I ordained Mr. Olney E. Eaton at Salina, February 20, 1945, after he had been duly examined and approved by the Examining Committee. This brother, a "son" of the congregation at Salina and one who had pursued his ministerial training under the guidance of our committee on Ministerial Education, was graduated from the Gettysburg seminary on February 16, 1945. Being in line for an appointment as chaplain in the United States Navy, and having met all requirements except that of ordination, the special examination and service of ordination was arranged by authority of the Executive Committee.

By Transfer Granted

The Rev. William Eller, ordained at our last convention of Synod, was transferred immediately to the Iowa Synod of the U.L.C.A.

By Transfers Received

The Rev. Willard W. Alexander, from the Nebraska Synod, January 1, 1945.

The Rev. Calvin H. Naugle, from the Nebraska Synod, April 1, 1945.

Licensures

Mr. Franklin Shirck was granted licensure to serve the Greenleaf parish, by authority of the Synod in 1944.

Mr. Wilfred Henning, called to become pastor of the Waterville parish, was granted "ad interim" licensure February 20, 1945, upon recommendation of the Examining Committee and by action of the Executive Committee.

Mr. Arthur Freeburg, being licensed by the Nebraska Synod, and being under appointment to serve the Bendena church as supply pastor, and since June 25, 1944, being under call to that church as pastor, was authorized by me, May 23, 1944, to perform ministerial acts in that parish until this meeting of Synod.

Resignations

The Rev. George L. Search, from the Waterville parish to accept a call to the Hays church, effective November 30, 1944.

The Rev. E. H. Gilmer, from the New Cambria parish, to retire after 36 years of service in the ministry, effective March 29, 1945.

The Rev. A. J. McCulloch, D. D., from Children's Memorial Church, Kansas City, to retire after 46 years of service in the ministry, effective April 1, 1945.

Calls Accepted

The Rev. George L. Search, to Trinity Church, Hays, December 1, 1944.

Mr. Arthur Freeburg, to the Bendena church, effective upon graduation from Western seminary, December 17, 1944, and subject to his ordination and his acceptance by this synod. He is applying to the Nebraska Synod for ordination.

Mr. Franklin Shirck, to the Greenleaf parish, effective upon graduation from Western seminary, December 17, 1944, and subject to his ordination by this synod.

Mr. Wilfred Henning, to the Waterville parish, effective March 1, 1945, and subject to his ordination by this synod.

The Rev. Willard W. Alexander, to St. Mark's Church, Emporia, January 1, 1945.

The Rev. Calvin H. Naugle, to Children's Memorial Church, Kansas City, April 8, 1945.

Installations

The Rev. A. D. Havekost, at Trinity Church, Kansas City, April 20, 1944, by the President and the Rev. R. R. Frobenius.

The Rev. George L. Search, at Trinity Church, Hays, December 10, 1944, by the Rev. A. J. Beil, D. D.

The Rev. Willard W. Alexander, at St. Mark's Church, Emporia, February 11, 1945, by the Rev. Ralph E. Rangeler.

Applications for Ordination

In addition to Mr. Olney E. Eaton (see Ordination above) I have received applications for ordination from Mr. Franklin Shirck and Mr. Wilfred Henning. These applications have been referred to the Examining Committee.

Applications for Pensions

I approved and forwarded the following applications for Pensions from the Board of Ministerial Pensions and Relief:

Mrs. Dorothy Close and two children, November 8, 1944.

The Rev. J. A. McCulloch, D. D., March 15, 1945.

The Rev. E. H. Gilmer, March 15, 1945.

Chaplain Returned

It is to be noted that the Rev. Otto K. Oelke has been released from service with the United States Army Chaplaincy Corps and is back as pastor of the parish at Glasco.

Greenleaf parish council, October 24, 1944.

Waterville parish council, October 25, 1944.

Deaconess

Acting on the authority of the Synod, granted at its 1944 meeting, I made application in the name of the Synod for assignment of a deaconess to work in the parish of the President as an assistant to him. The Board of Deaconess Work referred the application to the Baltimore Motherhouse which assigned Sister Eleanor Blumberg to us for one year, beginning June 1, 1944. She arrived in Tulsa on June 6, and I publicly installed her as a synodical deaconess on June 8.

Sister Eleanor has been of a great help to me during this year and has assisted me materially in the work of the parish of which I am pastor, and as President of the Synod. The fact that there has been another responsible person who is trained for a religious ministry in our Church, and who is acquainted with the people and program of our Tulsa church, looking after things while I have been away on synodical errands has been a great source of strength and has saved me many anxious hours. She has contributed much to the life of the church here as a parish visitor and evangelist, and as a supervisor of religious educational activities. In addition to working in my parish, she has accepted various special assignments in the Synod. I named her synodical secretary for the Children of the Church, and as such, a member of our Committee on Parish Education. In July she assumed a larger responsibility in the program for our junior group at Camp Wa-Shun-Ga, and she has given much thought to preparation of a suggested outline of study for use in this same group this summer. In September she gave two weeks to a visitation of our parishes to help institute the Christian Growth series of Sunday School lessons. On February 11 and April 1 I sent her to Fort Smith to conduct services for that congregation.

I have been well pleased with this arrangement and I have recommended that we apply for a renewal of the assignment of a deaconess to the synod to be an assistant to the President.

The Synod has been obligated for \$350 a year, payable quarterly to the Motherhouse, and for the deaconess' maintenance, including board, room, and incidentals, as well as her travel to and from the Motherhouse. The Executive Committee advanced her a fund of \$100 from which to pay such travel and other expenses, and each month a check has been drawn to cover her maintenance. The total cost to Synod, from June, 1944, to May, 1945, will probably be close to \$1,300. Our church in Tulsa is contributing \$10 a month to Sister Eleanor's maintenance to offset expenses incurred in parish work.

Oklahoma City

The problem in this parish remains unsettled. At the time of the last meeting of Synod there was pending in the district court in Oklahoma County a suit brought by the church council of the Kansas Synod congregation against the pastor and church council of the Midwest synod

congregation asking for possession of the property and records of the First Lutheran Church. This suit was tried on April 24, 1944, and I appeared as a witness on behalf of our congregation. Dr. E. E. Stauffer, who at that time was still in possession of the historical records of the Synod, also testified on behalf of our congregation. The court denied the petition of the Kansas Synod church council. Believing that important points of law had not been properly considered by the court, the plaintiffs appealed the decision to the Supreme Court of the State of Oklahoma where it is now awaiting a hearing. During this time our people have held services regularly, renting quarters from the Seventh Day Adventist people. Dr. C. N. Swihart is still graciously serving the congregation. During the weeks when he was unable to serve, various pastors of the Synod lent assistance by going to Oklahoma City to conduct services. Pastors Gaston, Harrison, and deFreese, as well as the President, took turns in this way.

At our last convention this Synod requested Dr. Alvin E. Bell, official representative of the U.L.C.A., to carry our greetings to the Midwest Synod at its annual convention, and to express our regret at the strained relationships that exist between these two bodies. Dr. Bell graciously complied. We also officially requested that the President of the U.L.C.A., or the Executive Board, take steps to call together representatives of this and the Midwest synods in an effort to rectify the differences between us. At Dr. Bell's suggestion the Midwest synod adopted a similar resolution, but they qualified it by adding this phrase, "providing that the Kansas Synod shall first cease all court action." They interpreted this as applying to the case above mentioned, even though the Kansas Synod is not directly a party to it. This request was received by the Executive Board of the U.L.C.A., which body authorized the President of the U.L.C.A. to appoint a special committee representing the whole Church to hold an informal conference with representatives of the Kansas and Midwest Synods. Such a committee was appointed, but later was discharged, and the matter was referred to the Committee on Constituent Synods of the Executive Board and the President of the Church. In the meantime, I had named Dr. J. A. McCulloch, Mr. B. P. Sibole, and Mr. L. W. Bauerle along with the President and the Secretary of the Synod, as a committee to represent us at such a conference. So far, the refusal of the Midwest Synod to meet with us until the court case is completed or withdrawn has made it impossible to have a conference. The decision of the Commission of Adjudication of November 10, 1943, which said that a synod is obligated to recognize the disciplinary action of a sister synod, and that of March 15, 1944, which ruled that a congregation should not be received into a synod without a certificate of transfer from the synod from which it comes, have not, so far as I have been informed, been applied to the Oklahoma City case by the Midwest Synod. Mr. Bloch remains under the disciplinary action of this synod, as of April 16, 1942, when he was declared to be suspended from the office of the ministry, but the Midwest Synod recognizes him as

one of its members in good and regular standing. The Midwest Synod continues to hold First Lutheran Church of Oklahoma City on its synodical roll.

I carried out the direction of the Synod at its last convention in asking that the Board of American Missions put a board missionary in Oklahoma City to serve our Kansas Synod congregation until the problem there is settled, but the request was not granted. Our synodical Home Missions Committee has had under consideration the question of the development of the Oklahoma City church, once the status of the congregation is finally determined. The people of the church there are to be commended for their faithfulness and their loyalty to the whole program of the Church under these most adverse conditions.

Vacant Parishes

The problem of "men for the ministry" and of the ministerial oversight for our congregations remains as the Number One problem of the synod, in my judgment. We have, at the present time, the following parishes without any regular pastoral leadership: Fort Smith, New Cambria, Valley Falls, Bunker Hill-Wilson, Norcatur, Long Island. The following churches are being supplied regularly but without duly called and installed pastors: Wellington, Wakeeney, Cole Camp, Perth. At least five of these parishes are earnestly desirous of reestablishing regular pastoral relationships and would call pastors if they could do so with the money that they believe they can pay. It is to be noted that these churches are all among the smaller churches of the Synod, which, to a considerable extent, are the innocent victims of the natural drift of pastors to churches that are able to provide more adequate salaries and larger opportunities for service. The loyalty of the members of these churches is to be commended, in most cases, but they must not be allowed to suffer from neglect or from circumstances beyond their control. Consecrated laymen have supplied excellent leadership in most of these parishes, but there are limits to which this can go. The whole Church is weakened whenever any number of congregations, large or small, are without pastoral leadership for long. We cannot ignore this situation. As I see it, this is a real problem of men and money. Men must be made available, and the money must be provided with which to attract and support them. Even though there is more money available now than there was formerly, the costs of calling and maintaining a pastor are also higher, and the parish with fewer resources still is unable to compete on an equal basis with the church having larger resources and opportunities. The problem is one for all of us together to solve; it belongs to the Synod, or to the Church as a whole.

Presidents' Conference

At the conference of the U.L.C.A. synodical presidents, at Columbus, Ohio, four major subjects were considered, each having a direct

bearing on the whole life of the Church: (1) Post-war placement of chaplains and their reabsorption into a civilian ministry; (2) Recruiting for the ministry; (3) How can the U.L.C.A.'s expanded stewardship efforts and its new Stewardship Secretary aid the synods?; and (4) The organizational structure of the United Lutheran Church in America. Concerning the first, it was recognized that there will be a practical personnel problem, but it is not insurmountable. In the demobilization of the armed forces, the U.L.C.A. will probably need to reabsorb chaplains into the civilian ministry at a rate of only about three a month. Some will stay in the chaplaincy, others will go into the mission fields, some will want to go back to school.

Recruiting for the ministry is a major task of the Church. The Board of Education is seeking to give some over-all direction to this function, but every pastor and congregation needs to be a recruiting agent. The conference approved, with some modifications, a plan developed by the Board of Education as a uniform procedure for the selection and guidance of men in preparation for the ministry.

The new full-time Stewardship Secretary of the U.L.C.A., Dr. Clarence Stoughton, should be of value to the entire church in meeting the obligations of a greater stewardship program. Fine harvests are being reaped from the work of Mr. Arthur P. Black, and even better things are ahead. Lutheran World Action is a stewardship program of which we can be justly proud but which must be fully and adequately supported.

With a new administration in the U.L.C.A. executive office, a re-study of the organizational structure of the U.L.C.A., especially as it affects the various boards and agencies and their executive functions, is being made. Limitation of the terms of office of board secretaries, and a wider supervisory function on the part of the executive board are changes in policy that may be developed.

Expansion

The Expansion of our Church in our territory is something of a problem. Ripe missionary opportunities where new congregations can be started in a reasonable time are rare, but not wholly absent. We need to be constantly alert to discover them. Our mission committee has one such place in view for investigation this spring. But the strengthening of our present congregations, both rural and urban, is an ever-present opportunity. We should follow with enthusiasm the leadership of our Parish and Church School Board in recruiting pupils for our Sunday Schools and our programs of religious education. We should leave no stone unturned in the field of evangelism. It would be well for all of us to make use of the wide interest in this field to be generated by the Federal Council of Churches nation-wide emphasis in this direction next year. A consecrated, hard-working, and intelligent ministry, followed by an alert and devoted lay membership, will bring good harvests of souls into the Kingdom, and this is our first task.

Conclusion

I call upon you, as ministers and laymen, to give yourselves with a new sense of devotion to the cause that is ours, and to live courageously for Christ and His Church. I thank you for the privilege of serving as your President.

Faithfully yours,

April 10, 1945

George R. Whittecar.

Report of ULCA Convention

The United Lutheran Church in America met in convention at the Central Lutheran Church, Minneapolis, Minnesota, October 11-17, 1944. This synod was represented by the following delegates: the President, the Rev. George R. Whittecar, chairman of the delegation, Pastors Beil, Havekost, and McCulloch, and Messrs. Guy Ryan, Salina; Fred Kloepfer, Lancaster; W. H. Guenther, St. Joseph; and Fred Trepp, Oklahoma City.

Actions of the convention have been publicized in the journals of the Church and will be given in detail in the printed Minutes, which are still in the process of printing and distribution, so full coverage is unnecessary here. Actions which particularly affect this synod and its program were:

The adoption of an income objective for the years 1945, 1946, and 1947 of \$2,500,000 for the U.L.C.A. This is an increase of 25 per cent each year. Apportionment having been already set, in most cases, for 1945, the increase was asked in the form of a special apportionment over and above the original apportionment of \$2,000,000 for this year. For the next two years there will be one apportionment figure to provide the entire sum of \$2,500,000 annually. Our apportionment for 1945 is \$15-928, original figure, and \$3,982, special; for 1946, \$20,143.

The two decisions of the Commission of Adjudication on the appeals made by this synod, one with reference to a synod's recognizing the disciplinary action of another synod in the U.L.C.A., and the other with reference to a synod's receiving a congregation without a letter or dismissal from the synod from which it comes, (See Minutes of this Synod, 1944, pages 24-26) were received by the Convention without discussion and became the law of the Church.

Actions worthy of particular note are: the election of the Rev. Franklin Clark Fry, D.D., as President of the U.L.C.A., and the retirement of Dr. F. H. Knubel, LL. D., after 26 years of faithful service in this office; the continuance of Dr. W. H. Greever as secretary; and the election of Mr. Henry Beisler as treasurer, succeeding Dr. E. Clarence Miller, deceased.

Following the convention, members of the delegation and visitors from this synod accepted assignments to present the message of the convention in the various congregations, as was done two years ago. The laymen on the delegation were especially diligent on this project. Not all congregations were reached, but the post-convention reports that were given were effective in bringing the U.L.C.A. close to the members of our churches.

The spirit of the Minneapolis convention was to move ahead courageously in spite of obstacles that surround the Church. The U.L.C.A. is coming into adulthood and is in position to exert a strong and united influence on the religious life of America. Our loyal support of the whole program of the U.L.C.A., which is our own program, should be continued in every respect.

Respectfully submitted,

George R. Whittecar, Chairman
For the Delegation.

Report of the Committee on Merger

Report of Regional Home Missions Council

The Topeka Regional Lutheran Home Missions Council is an arm of the Commission on American Missions of the National Lutheran Council. As a synod we have no direct representation. However, with the present arrangement, the President of our Synod and the Chairman of our Home Missions committee are local representatives of the U.L.C.A. on this council. The territory of the council is identical with the territory of our synod.

The Council held two meetings during the year, October 5, 1944, and February 5, 1945, at Kansas City. Your president attended both, and the Rev. R. R. Frobenius was also present at the meeting in February. At the October meeting, officers were elected as follows: President, the Rev. George R. Whittecar, U.L.C.A.; vice-president, the Rev. C. A. Vammen, Oaks, Oklahoma, United Danish; secretary-treasurer, the Rev. C. R. E. Friedstrom, Topeka, Augustana.

The American Lutheran Church was granted permission to start a mission church in Oklahoma City, and also to survey the western fringe of Kansas City, in Johnson County, Kansas.

The Augustana Synod was granted permission to survey the Pratt-Whitney area in Kansas City, bounded on the south by 85th Street, on the west by State Line, on the north by 75th Street, and on the east by Wornall Road. Their survey led them to request permission to enter the field, and this was granted.

The Augustana Synod was also granted the privilege of investigating the possibilities of Lutheran work in Larned, Kansas.

At our request, we were given the privilege of investigating the possibilities of Lutheran work in Miami, Oklahoma.

The council went on record to "endorse the policy of combining smaller congregations across Synodical lines into parishes for the purpose of strengthening local Lutheran groups" and to "urge the proper authorities of Synodical bodies to work out the arrangements of individual cases."

Respectfully submitted,

George R. Whittecar, Pres.

COMMITTEE REPORTS OF THE 1945 CONVENTION

Report of the Executive Committee

The executive committee held three meetings since the 1944 convention; On May 16, in Kansas City; on October 26, in Topeka; and on February 6, in Kansas City. The committee performed its regular tasks, receiving reports from various synodical committees, allowing bills and arranging for the publication of 1944 minutes and of the Kansas Synod Lutheran.

Because he received a chaplaincy appointment from the Navy that was contingent on his ordination, the executive committee authorized the president of Synod to ordain Mr. Olney Eaton, if after examination, members of the examining committee should so recommend. Two other Seminary graduates, Mr. Wilfred Henning and Mr. James Franklin Shirck, are able to await the meeting of Synod for their ordinations, so the committee did not authorize their ordinations although the committee authorized the president to license Mr. Henning should the examining committee so recommend. Mr. Shirck was licensed by the Synod in 1944.

The committee authorized an expanded camp building program for 1945. It also authorized the holding of separate camps in 1945 for the youth of Synod above and below the age of twelve. The program for those below the age of twelve will be in charge of the committee on Parish Education; the program for those above the age of twelve being in charge of the Synodical Luther League.

On recommendation of the committee on Parish Education, it was voted to allow sufficient funds for the expenses of a member of the committee on Parish Education to attend the regional conference of the Parish and Church School Board and it was voted to allow travel expenses for a member of this Synod to attend Camp Nawakwa if that camp offers a scholarship to the synod in 1945.

In view of its continuing need, the committee recommends that Midland College be guaranteed one dollar per communicant member during 1945, based on the 1944 report. The Executive Board of the United Lutheran Church did not approve synod's action in 1944 making this guarantee at the expense of synod's disbursements to U.L.C., but the Board did not suggest any alternative, so the executive committee of synod did not attempt any change during the year. Since the request of the United Lutheran Church for a 25% rise of apportionment may affect the amounts received for Midland, the committee felt that if any guarantee is made, it should be operative over the whole budget rather than any one part of it, and so recommends.

The Kansas Council of Churches and Christian Education has invited the Synod of Kansas to become a member of that council. The Executive Committee refers this invitation to the synod, without recommendation.

A report concerning the deaconess assigned to our synod will be given by the president. The present arrangement is satisfactory, and the committee recommends that synod request her reassignment in 1945-56.

The United Lutheran Church asks Kansas Synod to contribute \$15,928 towards the two-million-dollar objective for 1945, and to contribute \$3,982 towards the five-hundred-thousand special objective for this year. This is based upon the 1942 report of Kansas Synod's 6,548 communicant members. Since this request is about \$3.04 per communicant member, the executive committee makes the following recommendations as to the budget division for 1945 and 1946.

RECOMMENDATIONS:

1. The apportionment for 1945 shall be \$5.50 per communicant member, based on the 1944 statistical report.

2. The apportionment for 1946 shall be \$5.50 per communicant members based on the 1945 statistical report.

3. Midland College shall receive \$536.00 monthly during 1945, or a total of \$6,433 for the fiscal year; and the residue of each months receipts on apportioned benevolence shall be divided as follows:

For United Lutheran Church	\$3.00 per \$4.50
For Home Missions	.40 per 4.50
For Tabitha Home	.25 per 4.50
For Kansas Synod Lutheran	.15 per 4.50
For Ministerial Education	.20 per 4.50
For Synodical Treasury	.50 per 4.50

4. Apportionment receipts for 1946 shall be divided as follows:

For United Lutheran Church	\$3.00 per \$5.50
For Midland College	1.00 per 5.50
For Home Missions	.40 per 5.50
For Tabitha Home	.25 per 5.50
For Kansas Synod Lutheran	.15 per 5.50
For Ministerial Education	.20 per 5.50
For Synodical Treasury	.50 per 5.50

5. Pastors of the Synod are urged to complete local campaigns for Midland College before July 1, 1945 if it is possible for them to do so.

Respectfully submitted,

George L. Search, Secretary.

(Recommendations 4 and 6 were stricken from the report by Synod's action.)

Report of the Committee on Necrology

While fishing in Lee's Creek, a mountain stream near Fort Smith, Arkansas, the Reverend Paul Burton Close drowned. He was ULC pastor at Fort Smith. The body was recovered several hours later from eight feet of water. The tragedy occurred Saturday evening September 30, 1944.

He was born near Marysville, Kansas, September 6, 1917, his parents Dr. and Mrs. J. B. Close. Paul was one of the young men of the synod, being 27 years and 24 days of age. The brethren of the synod feel deeply the loss of one who gave great promise of carrying on the work of the Kingdom when others would be forced to lay it down. He grew up in the home of his foster parents, Mr. and Mrs. Henry Schimmels, Manhattan, Kansas.

He was one of the most popular young men of the synod. He had been at Fort Smith a year, pastor St. Luke Lutheran church, and in addition to his parish work, he served many men in the armed forces near Fort Smith. Prior to going to Fort Smith he was pastor for several years of St. Paul Lutheran church at Valley Falls. Here he served during his senior year at Western Seminary; also following his graduation in 1941. He was ordained by the Kansas Synod at its 1942 meeting at Hutchinson.

He was member of several important Synodical committees, and was publicity director for the last two conventions of synod. He was member of St. John Lutheran church, Salina, Dr. B. R. Lantz, pastor, confirmed March 20, 1932. He was educated at Midland College and Western Seminary, Fremont, Nebraska.

He was married June 7, 1942, and is survived by his widow and one daughter, Laurice Ruth, aged now one year and nine months.

Funeral services were conducted by the Rev. George Whittecar, Tulsa, president of synod; the Rev. George L. Search, Hays, secretary of synod and the Rev. Robert L. Gaston of Eureka on Tuesday, October 3 at St. Luke church Fort Smith.

Interment at Manhattan, services conducted by the Rev. George L. Search, Dr. B. R. Lantz and the Rev. Phil R. Ekblad, Pastor First Lutheran church Manhattan.

Respectfully submitted,

E. H. Gilmer.

Mr. Shreck has accepted a call to the Greenleaf pastorate, and Mr. Henning to the Waterville pastorate. Report of Committee on Stewardship and Benevolence

"It is required of a steward that he be found faithful." Faithfulness cannot fully and rightly be measured alone by figures. However, figures may in many instances be an indication of faithfulness. A recommendation was adopted last year that it be the sense of synod that every pastor and congregation should do everything possible to raise their apportionment 100% an dan excess if it can be done. We find that sixteen congregations did raise their apportionment in full. The total amount paid for apportionment in 1944 over 1943 was \$4,438.46, while the amount raised for specials exceeded very little that of the year before. We have been informed that the synodical apportionment for Lutheran World Action was raised in full but that too many congregations did not raise their share at the time of the campaign saying they expected to do so later but some did not. It is commendable that so many of our congregations are observing the "Special Days" and do receive and give voluntary money for worthy causes and institutions of the church. Many of our congregations have made large reductions during the year on indebtedness while some congregations have eliminated the entire indebtedness.

Has there been improvement during 1944 in the matter of stewardship over 1943? We would answer unhesitatingly, "Yes, but we believe there could have been even greater improvement if those charged with leadership had exerted a little more energy and given more enlightenment." It has been said that the better may be an enemy to the best. As stewards of God and of our church we should not be satisfied with less than the best. Having reduced the failure to meet our apportionment the past year over the preceeding year from 22% to 10.3% let us during this year make all possible endeavor to wipe out failure altogether. Let us give our people full information concerning the causes; give them opportunity to give and leave the rest to God. May God make us faithful stewards.

Report of the Committee on Work With Students

The Annual Student Census, sponsored by the Board of Education of the United Lutheran Church and carried out by the Synodical Committee on Work with Students in cooperation with the Women's Missionary Society, was conducted during the month of October. Twenty-two of the forty-one parishes responded to the census, reporting a total of 48 students as compared with 61 students the previous year. These 48 students were attending 24 different institutions. Five students were attending Lutheran institutions, three of these being students at Midland College. Two men were reported to be preparing for the ministry. Five young women were taking nurses training.

The names of Lutheran students of our synod, attending schools in communities other than their own, were placed on the mailing list of the Kansas Synod Lutheran. It is more and more important that pastors and church organizations maintain contact with our students. Since we have such few students in college at present, their leadership will be more significant than that of students under normal conditions.

Let us encourage our young men and young women in the military service of their country to continue their education and preparation for Christian leadership when the peace comes.

Respectfully submitted,

Alvin D. Havekost, Chairman

Report of the Committee on Social Missions

The three points of interest in the Field of Social Missions— Inner Missions, Social Welfare, and Evangelism—are best approached in the local parish. The fruit of belief is action and Christian Social Action can be carried to fulfillment by Christian individuals in their own neighborhood.

There should be a committee on Social Missions in each congregation of the Kansas Synod. This committee, under the direction of the pastor, should apply the three-fold purposes of the I.L.C.A. Social Missions board to the local parish. Each congregation has its work cut out for itself and its greatest problem will be how to best facilitate the social demands of the Gospel among its own constituency.

In the realm of Inner Missions, the local committee could be responsible for the investigation of cases needing material and spiritual aid among its congregation and give suggestions to the pastor and church council for the ministrations of Christian love to human need. The demand for this service will be more necessary in future years than during the present war time prosperity. Even now, however, the keeping alive of spiritual witnessing to those not able to attend services of worship is necessary and might be done through distribution of devotional literature such as "A Message for the Day."

In the realm of Social Welfare, we think of social action in our community and State, yet this is only a small part of its purpose. It is particularly important to handle this phase of the work locally because men differ radically in their judgment of what the Church and the Christian individual should do to better the social and political problems facing them. Perhaps the largest opportunity which the local Social Missions committee has before it is in the resettlement of returning servicemen and war industry workers. Some veterans of both World War I and II should be on this committee and the committee as a whole should discover what other agencies of the community are at work on this problem. The Board of Social Missions and the National Lutheran Council have produced valuable studies and suggestions for rehabilitating those in the parish who have been dislocated by the war.

In the realm of Evangelism, the local committee could keep constantly alert on new prospects for membership in the church. The committee should foster a study of the new booklet, "Reaching for Them" published by the Board of Social Missions.

The theme of the conference meetings held in our synod during the fall of 1944 was "The Christian Basis for Peace." This was a fulfillment of the recommendation passed by the members of synod at the last regular convention.

Respectfully submitted,

Samuel W. Jensen

Report of the Midland Assembly Representative

The representative of the synod on Midland Assembly's board was notified of a meeting planned for November 29, 1944; but notice of the meeting was sent to the wrong address and it was not received until December 5th. No plans for the 1945 Assembly have been made known to the synod's representative. I recommend that the synod authorize the president to appoint a representative to this Board.

Respectfully submitted,

George L. Search.

Report of the Committee on President's Report

We have read the president's report and commend it to you for careful study.

We wish to express our appreciation to the president of Synod for his zeal and earnestness, and for his untiring efforts in behalf of Synod during the past two and one-half years.

We particularly wish to bring to your attention the president's

comment urging us as Synod to give more careful consideration to expanding our United Lutheran Church on this territory.

The committee recommends that the president's report together with additions be accepted and make a part of the minutes of Synod.

Report of the Committee on Luther League

Despite the handicaps of the times, the Luther League work in our synod continues to progress. There are thirty young people's groups in which the Luther League program of Education, Missions, and Life Service is presented in full or in part. The officers of the synodical Luther League are a fine group of consecrated young folks who are giving generously of their time and talent in this arm of the Kingdom of our Lord. Special mention ought to be made of the energetic work of the president, Mr. James Hayward, and of the vice-president, Miss Mil-dred Carpenter.

The high light of the year's activity was the camp-convention held simultaneously with the Junior Camp sponsored by the Parish and Church School Committee. The financial report of the camp, presented as a part of this report, covers the joint camp session. A total of 214 boys and girls attended the joint camp session and benefitted by the instruction and inspiration characteristic of these camp-conventions.

Fall rallies observing Youth Sunday on September 17 were held in five centrally located churches, and in the Eastern District, a rally was held in connection with the fall meeting of the Eastern Conference of Synod. A total of 264 League age young people attended these rallies.

The continuing progress of the Luther League in our midst bears witness to the untiring efforts of many of our pastors to minister to the growing needs of our young folks. To these devoted pastors your committee is profoundly thankful. Great shall be their reward both on earth and in heaven!

To the few pastors who have failed to offer an adequate program of training and of inspiration to their young people (and this can mean only the Luther League program) we turn a troubled countenance. Is Sunday School training to be considered sufficient for young people? Do you think it is unprofitable to work with a small group? (Matthew 18:5). Is any other pastoral task of greater importance? (Matthew 18:6).

Summary of Luther League Camp Financial Report:

Receipts		Disbursements	
Registration @ \$1.44	\$214.00	Staff Expense	\$131.25

From Congregations	120.75	Program Materials	96.23

Total	\$484.75	Total	484.75

By action of the Executive Committee, the balance was divided as follows: Luther League \$53.64, Parish and Church School Committee \$53.63.

Your present committee recognizes its great debt, and that of synod to Rev. A. J. Bell, to President Whittecar, and to Secretary Search for their admirable work in promoting Luther League work and for planning and directing the camp prior to the election and appointment of the present committee.

Report of the Committee of Ministerial Education

Three young men have been assisted by this committee during the year 1944.

Olney Eaton	\$395.00
Wilfred Henning	395.00
Martin C. Ashley	310.00

Olney Eaton was ordained by the Synod Feb. 20, 1945 in order that he might enter the Navy as Chaplain. Wilfred Henning was graduated also in February and has accepted a call to Waterville. Martin C. Ashley has completed his second year at Midland College and should be ready to enter the seminary this fall.

The accelerated program of the seminaries has kept these men in school all the year. They completed a full semester of work during the summer and are thus graduated a semester ahead of schedule. This new program has of course cost the Synod more money but our grants to these young men has been in keeping with the grants of other Synods.

The war has cut deeply into the number attending seminaries. No doubt this year will bring the lowest figures in a long time. Because of that our expenses will be lower. However I do feel it wise to continue to build up a reserve for that period after the war.

Your committee recommends that 20c for ministerial education be included in the synodical budget.

Respectfully submitted,

Eugene R. Harrison, Chairman

Report of Trustees of Midland College and Western Seminary

Midland College and Western Seminary have much to be thankful for:—prospects of lifting our debt, the building of a boys dormitory, much greater interest in the college and seminary by all of the synods, and increased support from the synods and the United Lutheran Church.

It was with sincere regret that the Board of Trustees accepted Dr. Wiegman's resignation as president of Midland College. We hope and pray that Midland College and Western Seminary may find a successor as well suited to lead Midland as Dr. Wiegman has been.

Last October the City of Fremont made another contribution to Midland. They presented a check for \$3,800.00 and other gifts totaling approximately \$5,000.00. They did not have to go out and solicit. They just sent out a letter to the business men and they sent in their contributions. The Chamber of Commerce topped this contribution off with a dinner for the Faculty and the Board of Trustees.

The Board at its request was presented with a long-range plan for the future of the college and Christian education.

The campaign for raising \$225,000.00 is now well under way and is receiving good support. Dr. Wiegman's contacts in the Western Synods are arousing much interest and we believe will result in many worthwhile contributions.

Midland is planning on a post-war enrollment of four or five hundred students.

Respectfully submitted,

Wayne Easterday.

Supplementary Report of Midland College and Western Theological Seminary

By the grace of God, the co-operation of friends of Christian higher education, and the aid of the general church, Midland College and Western Theological Seminary have enjoyed a forward-moving year. The appended record tells the statistical story but it cannot relate the sacrifices of the faculty, the prayers of the people, the good offices of many friends, nor the guidance of the Father. They are written in God's own book.

The officers of the corporation for 1943-44; President Henry A. Gunderson of Fremont; Vice-President Alfred J. Beil of Lawrence, Kansas; Secretary, A. B. Lentz of Louisville, Nebraska; Treasurer Leah L. Williams of Fremont.

The officers of the College: President Fred C. Wiegman, Dean Herman Gimmetstad, Treasurer Leah Williams and Business Manager F. E. Wood. Dean of the Seminary is Thomas D. Rinde.

Report of the Committee on Parish Education

Your committee met at Camp Wa-Shun-Ga on Friday, July 28, 1944 and at Kansas City, Missouri on January 31, 1945.

Sister Eleanor Blumberg was appointed to the position of Secretary of the Children of the Church and member of the Parish Education Committee of synod, after being nominated by the Parish Education Committee.

Eleven District Meetings for the introduction of the Christian Growth Series were arranged by the Parish Education Committee. The meetings were held from September 17 to 29 under the leadership of the Rev. Erwin S. Spees, Mrs. Robert Tonsing, Sister Eleanor Blumberg and Mrs. Alvin D. Havekost. Thirty-three congregations were represented; twenty-eight pastors were present; ninety-one primary workers, seventy-five junior workers and one hundred seventy-one intermediate workers were present. The offerings amounted to \$183.46 of which \$51.07 was sent to the synodical treasurer after all expenses had been deducted. Many fine reports regarding the Christian Growth Series have been received.

At its last meeting our committee took action to promote an aggressive program of enlistment in all church schools of the synod. It is reported that there has been a loss of approximately 100,000 pupils in the Sunday Schools of our United Lutheran Church in the past ten years. Something must be done. Pastors and Sunday School Superintendents are urged to use every means at their disposal for strengthening church schools and increasing attendance. All auxiliary organizations and special committees may assist with the enlistment program.

Our committee is making a study of Visual Education for Church Schools. The effective use of educational films by the military forces of our country suggests great possibilities for the use of films in Christian Education. We expect many used projectors on the market as soon as the military forces release the ones they have been using. More and more good religious films are available.

Only ten credit cards were issued to teachers in our synod by the Parish and Church School Board in the past year. We consider leadership training courses an effective means of promoting and improving church schools. Some of the best Protestant Sunday Schools require every teacher to take at least one training course or read one book on Christian Education each year. If we cannot make this standard a requirement in our church schools, let us make it our ideal.

Subscriptions to the Parish School Magazine in the Kansas Synod, last year, were 113, an increase of 42 over the previous year. Some splendid improvements have been made in our Parish School Magazine. Let us make plans to use this magazine more widely.

A ten dollar scholarship to Camp Nawakwa has been offered by the Parish and Church School Board. The Rev. Alfred J. Beil has been nominated by our committee as our representative to Camp Nawakwa, with the Rev. Alfred Mendenhall as his alternate. The Executive Committee of synod has taken action to allow funds for transportation for our representative to and from Camp Nawakwa.

The Rev. Samuel Jensen was appointed synodical representative to the Regional Conference on Parish Education at Chicago Lutheran Seminary, Maywood, Illinois, to be held June 12 and 13, 1945. The Executive Committee of synod has allowed transportation expenses.

The responsibility of conducting the Junior Camp has been placed into the hands of the Parish Education Committee by the Executive Committee of synod. Plans are under way for a camp for boys and girls from 9 to 12 years of age, from June 17 to 22, 1945. The Rev. Samuel Jensen was appointed Camp Director, the Rev. Alvin D. Havekost, Dean and the Rev. Alfred Mendenhall, Registrar.

RECOMMENDATIONS

1. That we thank the Parish and Church School Board for the preparation of the Christian Growth Series in cooperation with similar boards in the American Lutheran Church and in the Augustana Synod.
2. That we thank the Parish and Church School Board, and particularly the Rev. Erwin S. Spees for their help in the district meetings on our territory.
3. That we thank Mrs. Robert Tonsing, Sister Eleanor Blumberg and Mrs. Alvin D. Havekost for their services in the district meetings.
4. That we pledge our wholehearted support to a program of enlistment in improvement in our church schools.

Respectfully submitted,

The Rev. B. R. Lantz
The Rev. S. W. Jensen
Mr. A. F. Swanson
Sister Eleanor Blumberg
The Rev. Alvin D. Havekost, Chm.

Report of the Statistician

The reporting on parochial reports continues to improve. But most of the mistakes would not reach the statistician if each report was rechecked before it was mailed. Little errors on increases and decreases in membership, omissions from the report, errors in adding the current

and benevolent expenses, failure to send in duplicate copies and last but not least, failure to sign the reports.

There is an interesting mixture of increases and decreases on this year's report. Most of them can be traced to war conditions. There is an increase in baptized and confirmed membership but only about half as big as last year. This is due in part to adjustments in membership lists. A number of churches have eliminated inactive members. The decrease in communing membership is probably due to members in the armed forces and members away from home who are working in war plants. The same reason may apply to decreases in Sunday School attendance and drops in organization memberships.

It is interesting to note the increases in property values, decrease in indebtedness and the increase in benevolence paid. Almost 84% of the apportioned benevolence was paid in 1944.

Some Comparisons Between 1944 and 1943 Reports

	1944—1943		1943—1942	
	Increases	Decreases	Increases	Decreases
Baptized membership	279		482	
Confirmed membership	158		340	
Communing membership		256	141	
Sunday School membership	483			108
Catechumens		51	19	
Indebtedness		\$13,442		\$26,605
Congregational Expense		17,154	\$10,016	
Apportionment Paid	\$4,483		4,814	
Total Benevolence	8,701		11,082	
Total Expenditures		8,453	21,098	

Let us pray for ever increasing spiritual gains.

Respectfully submitted,

Wayne Easterday, Statistician.

Report of the Historian

The files of the former historian were received after the meeting of Synod. Their contents were itemized and copies of this statement filed with the President and Secretary of the Synod. Efforts have been made to have copies of the Minutes of the Synod and the Kansas Synod Lutheran bound, but because of the war this cannot be done at this time. So these records are in four boxes in the basement of my home at the present time. During the year copies of the Kansas Synod Lutheran is all that has been filed.

Respectfully submitted,

Eugene R. Harrison.

Report of Committee on Synodical Brotherhood

Your committee on Synodical Brotherhood submits the following report:

Questionnaires were submitted in January to all congregations, and these reports, received from all but seven churches, show that thirteen active Brotherhoods are functioning in Synod, with a membership of 371 men. Two other pastors report that Brotherhoods will probably be organized this year in their congregations.

Active Brotherhoods are an important part of the parish life in these churches, the reports show: Eastern Conference—Atchison, Lancaster, St. Joseph, Topeka, Lawrence, and Children's Memorial and Trinity churches, Kansas City. Western Conference—Chapman and Salina. Southern Conference—Emporia, Eureka, Peabody and Wichita.

Since the designation by the United Lutheran Church convention at Minneapolis, Minn., last year of the Brotherhood as the official sponsoring organization for Lutheran Boy Scout promotion, renewed interest is manifest in this important youth organization. Six Scout troops are reported in Kansas Synod churches, with a total membership of 129.

Your committee wishes to submit the following recommendations to this convention:

1. That the officers and Executive Committee of Synod be urged by this convention to place special stress upon the importance of organizing Brotherhoods in all congregations of Synod not now blessed with such groups, as a special order of business for 1945-46.
2. That a synodical committee on Boy Scouts be appointed, to co-operate with a similar Brotherhood committee, to promote Boy Scout work in local congregations, and that a fund of not to exceed \$50 be allotted for this activity during the year 1945.
3. That presidents of the Conferences be requested to include Brotherhood participation in plans for fall rallies.
4. That all congregations, irrespective of whether they have active Brotherhoods, be asked to observe National Brotherhood Sunday, as a means of interesting all Lutheran men in the program of the local congregation and the national Lutheran church.

Your committee also expresses sincere appreciation to the officers of Synod, to the Executive Committee, and to local pastors for their very fine co-operation and courtesies during the past year.

Respectfully submitted,

Evan W. Tonsing, Chairman
Rev. Herbert H. Pett
Rev. H. Vance Baird

Report of the Committee on Lutheran World Action

Lutheran World Action—the emergency service program of our Lutheran Church—received generous support throughout our entire synod. We reached and overpaid our quota by two percent. Most gratifying was the fact that every parish participated in the work. More than half of the churches paid their congregational quotas in full. Three "honor roll" churches, Tulsa, Chapman, and Wichita overpaid by more than forty per-cent. Full detailed information of individual and synodical contributions are included in the treasurer's report.

The 1945 presentation of the appeal is scheduled for the month of May sixth being set as the date for the launching of the appeal. Congregational quotas are based on the CONFIRMED membership as reported in the 1944 printed Minutes of Synod. The basis of quotas is seventy-five cents per confirmed member.

Respectfully submitted,

H. Vance Baird, Director

LeRoy Demmon, Ass't Director.

Committee on Foreign Missions

The committee on Foreign Missions was inactive during the past year. Plans for a continuance of the deputation visits of missionary personnel were laid aside until conditions permit their being carried forward. The Secretary of Synod has a number of copies of the handbook, "FORTH", which are available without cost to pastors desiring to establish study groups on World Missions within their congregations.

Respectfully submitted,

George L. Search, Chairman.

Report of Tabitha Home Trustees

For another year Tabitha Home has served most acceptably in the field of ministering love. Under the capable spiritual leadership of Superintendent Ebright, the Institution has cared for 87 aged and 64 children during the year. At present, March 1st, there are 71 aged and 37 children living in Tabitha.

The new building is now assured as soon as conditions permit construction, \$124,000.00 being in the Building fund on March 1, 1945. \$150,000.00 is the post-war estimation of the cost. These funds represent the gifts of individuals and congregations for this purpose during the last four years. Truly the Lord desires this improvement in the facilities of the Home and has prompted the giving of these funds.

Other doors of service are being opened, and Superintendent Ebright calls to the Boards attention the need of a department for the care of the hopelessly crippled child. The Board at its annual meeting instructed the Synodical representatives to ask their respective Synods for permission to include this need for a Home for crippled children in the presentation of the work of Tabitha by Superintendent Ebright.

Financially Tabitha Home has been strongly supported by the Church and Synod. The financial statement will give the picture for the year 1944.

Your Synodical trustees have attended the Board meetings and have sought to give Synod its proper representation in the work of this institution.

We would recommend that Synod give its endorsement to the proposed development of a Home for Crippled Children.

Respectfully submitted,

Reuben Levine

Report of the Committee on Home Missions

The Committee on Home Missions is glad to report excellent progress on the part of some of the mission congregations of Synod. However, due to the difficulty of securing Pastors, there are several of our missions that are having increased problems. Most encouraging is the progress that the missions are making in reducing their indebtedness and in reducing the salary aid needed from the Board of American Missions and the Synodical Home Missions Committee. One congregation, Zion Lutheran Church, Hutchinson, Kansas, has paid off its entire church indebtedness.

St. Luke's, Fort Smith, Arkansas: This congregation was making excellent progress under the leadership of Rev. Paul Close. His accidental death last year was a distinct loss to the Fort Smith congregation, as well as to the whole Church. Since that date, the congregation has been supplied by nearby Chaplains and occasionally the pastors of Synod. At the time of this report, the congregation had not yet secured a regular pastor. The Home Missions Committee in consultation with Dr. A. M. Knudsen of the Board of American Missions has worked out a program for Fort Smith, which we feel will enable the congregation to secure a Pastor and greatly expand its parish after the war. This congregation now has a parsonage for its pastor and last year purchased pews for the Church.

Trinity, Kansas City, Kansas; The Rev. Alvin D. Havekost was called to this congregation last spring and under his excellent leadership has been making fine progress. The congregation reports increased attendances, memberships, and financial receipts. In addition to the regular payments on its indebtedness, this congregation has been receiving gifts in bonds to be applied on its indebtedness at the time of re-financing a few years from now. This Church has paid its benevolence apportionment in full and has reduced the amount of aid received from the Board of American Missions. At the time of this writing it is conducting an evangelistic program to increase church membership.

Zion, Hutchinson, Kansas, The Rev. E. R. Harrison, pastor: This congregation has completed the re-payment of its entire church indebtedness. A mortgage burning ceremony was held February 2 with Dr. A. M. Knudsen of the Board of American Missions as the guest speaker. In addition to paying off its indebtedness, funds are being secured for a program of building repair and improvement. The congregation has also reduced the amount of salary aid from the Board of American Missions and the Synodical Home Missions Committee. The Pastor and congregation are to be congratulated on this excellent progress.

Zion, Beloit, Kansas, Rev. George Eller, pastor: This congregation has shown fine spirit of service and cooperation. Church building improvements, such as pointing the exterior of the building, and parsonage improvements have been made. The congregation also plans to re-decorate the interior of the building this year. This congregation has voluntarily taken a reduction in salary aid for the year 1945.

Bethlehem, Wakeeney, Kansas, Dr. G. C. Schaub, Ph.D., supply pastor: This congregation has been going along steadily under the leadership of Dr. Schaub. Church property and parsonage, purchased two years ago, are being cared for. The congregation is endeavoring to pay its apportionment in full in this year 1945. This congregation is asking fifty dollars less in salary aid for the year 1945.

Trinity, Sedalia, Missouri, Rev. Samuel W. Jensen, pastor: This congregation is making fine progress under the leadership of its pastor. Church properties are being cared for and attendances and growth in

memberships are encouraging. The congregation has voluntarily reduced its request for salary aid by one hundred dollars for the year 1945.

Children's Memorial, Kansas City, Missouri: This congregation has become self-supporting and no longer receives aid from this committee or the Board of American Missions. The congregation has also become debt-free. The members and pastor of this congregation are to be commended for this excellent progress.

There are no definite reports to be made of other congregations that have been aided recently by this committee. Several of them are being supplied with student pastors, and St. Paul's congregation, Valley Falls, Kansas, has been supplied most of the year by students from our seminary at Fremont, Nebraska.

The Home Missions Committee is holding funds in reserve to aid our congregation at Oklahoma City and at Fort Smith, Arkansas. The committee is also planning to survey a field with a view to starting a mission and is holding some funds in reserve for this purpose. There is definite feeling on the part of the members of the committee as well as Dr. A. M. Knudsen, Board of American Missions, that the Kansas Synod should be more aggressive in its Home Missionary program. Suggestions and assistance from pastors of Synod are solicited to help the committee in locating new fields and establishing additional mission congregations. Let us always be alert to our Home Mission opportunities.

The Ottawa Fund, received from the sale of the Church building in Ottawa, has now been restored to its original amount, \$1,625.00. This amount has been placed in a savings account to be used for some specific Home Missions work in the territory of Synod. In addition, the Board of American Missions is holding \$1,169.88 in restricted funds to be used for the advancement of Kansas Synod Home Mission work.

This committee held three meetings during 1944 and has had one meeting in 1945. In addition, the president of Synod and the chairman of the committee have been meeting with the Inter-Synodical Topeka Regional Lutheran Home Mission Council to coordinate Home Mission work with other Lutheran bodies.

Report of the Eastern Conference

The Eastern Conference met in St. Mark's Church, Atchison, on October 29, 1944, meeting jointly with the Women's Missionary Society, the Brotherhood, and the Luther League for most sessions to study together, "A Christian Peace." In the opening devotional service, Pastor Baird spoke on the "Necessity for a Christian Peace" and in the concluding service, Professor R. R. Syre spoke on the "Scriptural Basis for Our Hope for Peace." Each group participating in the Conference, men, women, and young people, meeting separately studied the part which its group could play in bringing about a Christian Peace.

In its business sessions, the Conference heard Professor Syre discuss plans for the Midland Financial Appeal, and allowed bills incidental to the conduct of the Conference.

Respectfully submitted,

H. Vance Baird, President
Herbert Pett, Secretary.

Report of the Southern Conference

The Southern Conference met in St. Paul's Church, Wichita, Oct. 29 and 30. This meeting was a reformation Rally for the Southern Conference and Women's Missionary Society of the Southern Conference. Reports of The I. L. C. A. Convention and Brotherhood convention were presented at a combined meeting of the two organizations Sunday evening Oct. 29 by The Rev. George R. Whittecar, president of Synod, and The Rev. Dr. E. E. Stauffer, pastor loci. Papers on timely subjects were presented and discussed by the men of the conference at the morning session Oct. 30. Dr. Fred C. Weigman, president of Midland College, was present and discussed the Midland campaign with the men of the conference. The Rev. Eugene R. Harrison, of Hutchinson, was elected Secretary-Treasurer to succeed the late Rev. Paul Close, of Ft. Smith, Arkansas.

Respectfully submitted,

Robert E. Gaston,
President Southern Conference.

Report of the Rural Work Representative

The annual Farm and Home Week, sponsored by the Kansas State College at Manhattan, has for the past four years included a Rural Pastor's Conference in its program. This year, in accordance with O. D. T. requests the Farm and Home Week was not observed at the college.

This annual conference, helpful as it was, has lacked the full support of Lutheran pastors, and has not been of full benefit to our church.

for that reason. Since the majority of rural Lutheran churches in Kansas are members of other Lutheran groups, I recommend that the Synod authorize its Rural Work Representative to correspond with officials of other Lutheran groups on our territory suggesting and helping to organize a Lutheran Conference on Rural Pastor's problems.

Respectfully submitted,

George L. Search.

Report of the Committee on Church Publications

The United Lutheran Publication House is classed as a "big" publisher by the WPB and therefore has been obliged to make the maximum cut on paper consumption. This has effected the printing of our church magazines, books, and general printing. THE LUTHERAN has been printed in a half-size format for the past year but its reduced size has pleased the majority of readers. Two new books were published during the fall of 1944, "The Tale of the Widows' Sons" and "Victim or Victor" which were reviewed in the January issue of THE KANSAS SYNOD LUTHERAN. Other books which were planned for publication in 1944 have been carried over for this year. "The Christian Growth Series" has also felt the squeeze of the paper shortage which hindered to some extent fulfilling the demand for new Sunday School material. The weekly church bulletins have been "frozen" to a circulation of 250,000 copies per week and also reduced in size by one-half inch.

In the face of wartime restrictions on supplies and man power, the ULPH has carried an increased load of business. The sales in the year ending June 1944 totaled \$941,729 with a net profit of 7 per cent. This profit was used for special church needs.

Our publication house is going into the field of visual aids, both still and motion picture. Over 500 pastors of our church have asked for guidance in this newly revised program of modern education and it is worthy of consideration of all churches for a post-war improvement. By patronizing our publication house in this, as for all other needs, you are strengthening the program of the whole church.

Beside the new "Christian Growth Series", far-reaching changes have been made in the "Augsburg Uniform Series" at the beginning of 1945.

Your committee chairman will be glad to act as a channel between you and the Board of Publication to convey any suggestions for improvement for future service.

Respectfully submitted,

Samuel W. Jensen, Chairman

Report of the Committee for Circulation of the Lutheran

Our annual campaign for the increased circulation of the Lutheran in our Synod was delayed until late 1944 due to the untimely death of the Rev. Paul B. Close, appointed chairman of this committee. The writer was made chairman in October, 1944, by the President of Synod, and mailed a letter to all pastors of Synod as a supplement to the mailing from the circulation manager of THE LUTHERAN. As this report is written a final report of the result of the campaigns in congregations of Synod has not been received. It is hoped that pastors will continue to encourage the circulation of our church paper throughout their congregations.

Respectfully submitted,

Samuel W. Jensen, Chairman

Report of the Editor of the Kansas Synod Lutheran

The Kansas Synod Lutheran has been issued regularly each month and a file of the publication has been kept. Due to the labor shortage several issues of The Kansas Synod Lutheran have been late getting into the mail. The Editor requests that all pastors, and those responsible for furnishing news, for our paper, cooperate by sending in their news promptly.

Respectfully submitted,

Robert E. Gaston,

Editor Kansas Synod Lutheran.

Report of The Reporter to The Lutheran

Your present reporter was appointed by president Whittecar to succeed the late Rev. Close. All news of our synod of interest to our general church body has been reported to the Lutheran. The majority of the news sent in has appeared in The Lutheran.

Respectfully submitted,

Robert E. Gaston,

Reporter to The Lutheran.

Report of the Committee on Pensions

As of February first, 1945, under the non-contributory system, there are the following pensioners in our synod:

Three retired ministers, eleven widows and five children.

Five ministers have entered the contributory plan up to above date. Perhaps more will follow.

This plan became operative January 1, 1945 for those pastors and congregations which affiliate with it.

The first year of its operation both the minister and his employing agency each pay 2% of his salary, the second year 3% and thereafter 4%. Where a residence is supplied in addition to a cash salary, 15% is to be added when reporting the salary.

The non-contributory plan remains in existence for all. Those who affiliate with the new plan will receive its benefits upon retirement in addition to those of the old plan.

Respectfully submitted,

D. L. McConnell, Chairman.

Report of the Committees on Absentees and Excuses

The committee wishes to comment on the fine attendance of both pastors and laymen at all sessions of the Synod convention. Dr. Wiest, Dr. Bard, Rev. Havekost and Rev. Groseclose have asked to be excused from all sessions of the convention. Rev. Alexander has asked to be excused from Wednesday and Thursday's sessions; Dr. Lantz and Mr. Paul Darby have asked to be excused from a portion of Session Five; Rev. Oelke, Rev. Henning and Mr. Will Henning have asked to be excused from a portion of Session Five; Dr. Swihardt has asked to be excused from Session Five; Dr. Schaub has asked to be excused from Sessions Four and Five. We recommend that these excuses be granted.

Three requests for excuse have come from chaplains but since the delay so often caused by mail and the many duties of a chaplain hinders their efforts to contact Synod, we recommend that all chaplains of the Synod (Eaton, Ensrud, Gilmer, Klover, Moeller, Tonsing and Zabel) be excused from all sessions.

Respectfully submitted,

Rev. George W. Eller

Rev. George L. Search.

Report of the Resolutions Committee

Be it resolved:

1. That we express to this congregation, choir, local convention committees, clerical helper, the pastor loci, and his wife, our sincerest appreciation for the most gracious welcome and entertainment given to our convention.

2. That we heartily commend the president, secretary, executive committee and all other standing committees and officers for faithful efficient service rendered to the Synod during the past year.

3. That we thank the executive committee of the U. L. C. A. for sending Dr. E. H. Turney, President of the Indians Synod, to our convention to represent the causes of the church.

4. That we also express our appreciation for the messages and counsel of Dr. Thomas Rinde of Midland College and Western Theological Seminary, Dr. O. W. Ebright of Tabitha, and Rev. Harvey Clark of the American Bible Society.

5. That we express our sincere regrets in the inability of Mr. Wayne Easterday, statistical secretary, to be with us because of illness.

6. That we express our thanks to Almighty God for the reported recovery of our Treasurer, L. T. Bang, but sincerely regret that is seemed best to him to have announced that he preferred not to be considered as a candidate for reelection.

7. That we inform our former Treasurer of the past twenty-eight years, that his faithful and loyal services are deeply appreciated by Synod and that we show our appreciation by making him the treasurer emeritus of Synod with instruction for his name to appear on the printed minutes of Synod.

8. That we continue our prayers for our members in the U. S. service as chaplains and for the members of our congregations during this absence, and that we also continue to pray for an early return of peace among nations around the world.

Respectfully submitted,

Alfred J. Beil

G. C. Schaub

Report of the 1945 Annual Convention of the Men's Brotherhood of the Evangelical Lutheran Synod of Kansas and Adjacent States.

Christ's Lutheran Church

Eureka, Kansas

April 11, 1945

Dr. J. T. Catlin, Eureka, Kansas, Secretary

The 1945 Convention of the Men's Brotherhood of the Evangelical Lutheran Synod of Kansas and adjacent states opened its meeting on April 11th, at Christ's Lutheran Church, Eureka, Kansas. The convention was called to order by the President, Evan Tonsing of Atchison, Kansas. About 40 men were present.

The meeting opened with singing followed by a brief devotional service conducted by Wm. S. Barackman of Eureka, Kansas.

Reports were presented by the Synodical officers. The Secretary's report was approved. The Treasurer's report was approved. The President's report was read and approved.

A forum on "The Brotherhood and the Boy Scout Movement" was conducted by Dr. A. J. Beil of Lawrence, Kansas. During the discussion that followed Mr. Gerald Lee, lay representative of Trinity Church of Kansas City, Kansas, brought out some pertinent points on the subject.

Rev. R. E. Rangelor of the First Lutheran Church of Topeka, Kansas, led the discussion, "The Brotherhood, the Man in Service, and the Returning Veterans—An Immediate Challenge," in the absence of Rev. A. D. Havekost of Trinity Church of Kansas City, Kansas. Many pertinent facts and questions were raised and discussed.

Dr. Thomas Rinde, Dean of Western Seminary, made an appeal for financial aid in carrying on their "Life Service Retreat" program. A motion was made to instruct the Treasurer to send \$25.00 from the general funds of the Synodical Brotherhood to Western Seminary for this project. Seconded. Carried.

Dr. A. J. Beil made an appeal to the assembly for the individual Brotherhoods of the Synod to donate funds for additional chairs for the chapel of Camp Wa-Shun-Ga. Dr. Beil stated that \$5.00 would purchase a chair and that the name of the contributing Brotherhood would be placed on the back of each chair. It was moved and seconded that the newly elected officers approved the project to purchase chairs for Camp Wa-Shun-Ga. Carried. The Wichita Brotherhood pledged two chairs.

The following recommendations were adopted, with the exception of recommendation four which was referred to the executive committee for consideration.

Recommendations

1. That the Synodical Brotherhood dues be continued at ten cents per active member for the year 1945.

2. That a Boy Scout committee be authorized by this convention, to include at least one lay representative from each conference, and at least one pastor, to sponsor the formation of Boy Scout Troops within our congregations, and that this committee be allowed (not to exceed) \$15.00 for necessary postage and incidental expenses during the period until the 1946 convention.

3. That the joint dues plan be continued, wherein both National and Synodical dues are collected by the Synodical Brotherhood Treasurer, and the National dues sent to the National Headquarters, and the Synodical Brotherhood dues retained to meet necessary expenses.

4. That provision be made to meet actual traveling expenses, on a Synodical basis, for the Synodical Brotherhood President upon his attendance at Synodical Brotherhood conventions (unless those expenses are met from other sources) beginning with the 1946 convention.

5. That each pastor and church council or men's class in Synod be urged to consider seriously the matter of the formation of Brotherhoods where no active Brotherhoods now exist, as a means of intensifying the participation of all men in our congregations in the work of the Kingdom.

6. That the Secretary of this convention be instructed to transmit to the Brotherhood, to the Pastor and to the Church Council of our host congregation the sincere appreciation of this convention for the very helpful and kind hospitality granted us as guests of Christ's Church.

Nominations for the officers of the Synodical Brotherhood were made from the floor and the following were elected as Brotherhood officers for 1945-46:

President—Evan Tonsing, Atchison, Kansas.

Vice-President—John Heinrick, Kansas City, Mo.

Secretary—Wm. S. Barackman, Eureka, Kansas.

Treasurer—Theodore Kloepper, Lancaster, Kansas.

Member of Executive Committee from Southern Conference—Rev. W. W. Alexander, Emporia, Kansas.

Report of the President

We give all praise and glory to our Heavenly Father as we are assembled in the Sixty-fifth Annual Convention of our Women's Missionary Society of the Evangelical Lutheran Synod of Kansas and Adjacent States. If we have failed this past year through lack of knowledge and lack of faith, let us resolve to re-dedicate ourselves and study so we may be better informed.

The loss in active membership is of great concern. However, we feel from the recent reports this will be much improved this current year. Some of this loss in membership is due to change of residence. We pray that this year will find us living more normal lives.

We wish to extend sympathy to the members of our executive board where sickness and sorrow have entered their homes. In fact, there are few homes of our entire organization these war conditions have not affected. During these testing days we pray for more faith.

May I express my thanks to the members of the Executive Board and all other members of our Synodical who have co-operated so efficiently and so faithfully.

It was my privilege to attend the Synodical Presidents meeting held in Philadelphia, January 31st and February 1st, 1945, as your representative. This meant more to me than I can ever tell you. I attended the western and southern conferences. Letters and cards written 487. Articles written 7.

I recommend that we strive for a triennial objective of \$5.00 per active member.

May we work and pray for an increase in our active membership.

I recommend that we continue our publicity in the Kansas Synod Lutheran in the following manner:

January—Mission Study-Promotional Secretary

February—Deaconess-Executive Board Member

March—Industrial-Treasurer

April—Convention Program

May—Life Membership and In Memoriam-Box Work

June—Promotional Secretary

July—Patron and Protege

September—Vice Presidents

Report of Committee on Resolutions

At the conclusion of this Sixty-fifth Convention of the Women's Missionary Society of the Synod of Kansas and Adjacent States, we are again thankful for God's blessings and His keepers. In that recognition, we, the Committee on resolutions, present the following:

1. That we express our sincere gratitude to Rev. and Mrs. Stauffer and all members and friends of the St. Paul's Lutheran Church for their gracious hospitality and consideration for our comfort during these Convention days.

2. That we express appreciation to Mrs. C. C. Emmerich, our President, for the inspiration and informative program. We also express to the other officers and department secretaries our gratitude for their faithfulness.

3. That we express to the Ladies of St. Paul's Lutheran and St. Paul's Methodist Churches our gratitude for the meals and Fellowship Dinner with its inspiring program.

4. That we owe many thanks to the organist and choir of St. Paul's Lutheran Church; to those who brought the lovely devotionals; to Rev. E. R. Harrison for his message and his greetings he so kindly brought from Synod to our Convention; and to our Deaconess from Tulsa and Parish Worker from Kansas City; and to all others who have helped to make this Convention such an inspiration to us all.

5. That to Miss Juram, National Promotional Secretary, we express our appreciation for the enlightening messages she brought to us, and that we wish her God's blessing in her Promotional Work.

6. That we thank Jacob B. Nah, the medical student from Liberia, for his kindness in bringing to us his enthusiastic message and commendation for our Lutheran Missions in Liberia—and Miss Nancy Nimneh for her evangelistic message and report on E. V. Day School.

7. That we express our thanks to Chaplain Martin D. Kliver who brought us greetings from the Lutheran Church of Australia.

8. Last, and finally that we resolve to take with us His "Precious Promises"—that these promises guide us to the knowledge of the need of others and that they give us the desire to do the specific tasks of our Church.

Report of Second Vice-President

The Southern Conference met at Wichita, Oct. 30, 1944. Mrs. Geo. Walker led the devotional period with our theme "Our Part in God's Peace." Mrs. Alstatt acted as secretary reading the minutes of 1942.

The last half of the morning session was given over to a joint session with the ministers of the Conference in a very interesting discussion on "The Church's Part in the Post-War World."

After a delicious luncheon served by the Wichita Women our president, Mrs. Emmerich, presented the Triennial Objective and an offering was taken for the Lillith Schwab Fund. Greetings were brought by Mrs. J. Lealie Carlson of the Augustana Synod.

Reports were made by Mrs. Gaston, Industrial Secretary: by Mrs.

Jacobson, Thankoffering Secretary: by Mrs. Whittecar, Box Work Secretary: and Mrs. Harrison, Life Membership Secretary sent her report to be read.

Time was given for discussion of the Unified Program and other exchange of ideas and suggestions made the whole session very helpful.

Mrs. B. P. Sibole.

Report of Third Vice-President

Western Conference met in Salina, September 26, 1944 for an all day meeting with a large attendance. Theme for the day's devotionals and meditations was "World Victory: Through Christ, Through the Church, Through the World." Mrs. Emma Wolf, magazine secretary, gave a very complete report. Mrs. C. C. Emmerich was present and spoke on the Triennial Objective. Dr. E. K. Morrow, president of Wesleyan University, gave the address in the afternoon "Yankees in the Far East." Abilene society gave a playlette, "Unfinished Business." Special music by Salina. Collection for the day \$21.33, which was voted to be placed in the Lillith Schwab fund. A fine luncheon was served at noon with an informal program at the table. The invitation from Abilene to meet there in 1945 was accepted. It was good to renew old acquaintances and gain fresh courage and inspiration for the future.

Respectfully submitted,

Mrs. J. Albert Schultz.

Report of the Box Work Secretary

This department has continued to feel the effect of wartime regulations on the transportation of packages overseas. Although this situation is gradually improving, we have urged the societies to continue sending cash gifts to the various mission fields for purchase of necessary materials. Packages to home mission stations are always welcome. The secretary has maintained contacts with Mrs. Raymond B. Fenner, general box work secretary, and with the local societies regarding the needs that might be supplied through this department. A report was presented at the Southern Conference, and an article was prepared for the Kansas Synod Lutheran.

Respectfully submitted,

Mrs. George R. Whittecar

Report of Mission Study and Lenten Week of Prayer Secretary

During the past year two letters outlining the Mission Study work were sent to each society, one of which included Lenten Week of Prayer literature. In January an article was written for the Kansas Synod Lutheran.

It gives your secretary great pleasure to report an increase of 192 members in Study Groups. Also an increase of \$64.61 in our Lenten Self Denial Offering.

Respectfully submitted,

Mrs. James O. Heiffner

Report of Life Membership and In Memoriam

During the past year letters have been sent to each society encouraging them to use the Life Memberships and In Memoriam as gifts to honor their friends and loved ones. The response has been good so far. One article was written for the Kansas Synod Lutheran.

From May 1, 1944, to Jan. 31, 1945 we are able to report the following:

14 Life Memberships	\$140
4 In Memoriams	100
1 Transferral	15
Total	\$255

There is no place in the Missionary Budget where your money can do more for the advancement of the Kingdom of God here on earth, and at this time it is needed perhaps more than ever, so let us all keep our Life Membership and In Memoriams ever in mind.

Respectfully submitted,

Mrs E. R. Harrison, Sec'y.

Report of the Thank Offering Secretary

Let us be thankful that we have been able to increase our Thank Offering \$442.83 over last year, this year's total being \$2247.51. Our Thanks-giving is Thanks-living and becomes a reality when we see God's goodness in everything, everywhere, every day.

May we continue to offer prayers of gratitude and share our blessings daily to the enrichment of our spiritual lives, and to the advancement of God's kingdom on earth.

Respectfully submitted,

Mrs. W. C. Jacobson

Respectfully submitted,

Mrs. Emma Wolf

Report of Industrial Secretary

There has been a substantial increase in the India Lace offerings in 1944.

1943—\$135.57

1944—\$296.89

Our offerings are a means that those in India may know that we still love them, our sisters in Christ. May India Lace Day be an event in the life of your church this year for it is "Our Father's Business."

Respectfully submitted,

Mrs. R. E. Gaston

Report of the Deaconess Secretary

In January, our president, Mrs. Emmerich, visited the Philadelphia Motherhouse and Mary J. Drexel Home. She will have many interesting things to report.

In September, I was privileged to meet and talk with Sister Eleanor Blumberg, our synodical deaconess. She arrived in Tulsa to assist Rev. Whittecar in June. This is significant because that is Deaconess

Month. Having the work presented in all Sunday Schools of the Synod at that time should be our goal.

I attended the Eastern conference at Atchison and participated in a round table discussion. At that time I gave some highlights of my visit with Sister Eleanor. I wish to thank her for writing an article for the February Kansas Synod Lutheran.

Letters were sent to each society, emphasizing the deaconess cause. I have continued keeping a file of leaflets and all articles pertaining to this service. "Motherhouse Tidings," "The Deaconess Messenger" and letters from Mrs. Funck, Deaconess Secretary of the ULCA, give me inspiration and help.

The greatest need is still for candidates for training to prepare for the many UNANSWERED calls for Deaconesses.

Respectfully submitted,

Mrs. John Zimmerman,
Deaconess Sec'y.

Report of Historian and Education Secretary

The monthly copies of the Kansas Synod Lutheran have been filed; as has a copy of the 1944 Minutes. During the year I have also filed away in scrap books and files, all letters, programs and literature that pertains to the History of the Women's Missionary Society.

Respectfully submitted,

Mrs. E. P. Boersch

Report of the Student Secretary

The Annual Student Census, sponsored by the Board of Education of the United Lutheran Church and carried out by the Synodical Committee on Work with Students in cooperation with the Women's Missionary Society, was conducted during the month of October. Twenty-two of the forty-one parishes responded to the census, reporting a total of 48 students as compared to 61 students the previous year. These 48 students were attending 24 different institutions. Five students were attending Lutheran institutions, three of these being students at Midland College. Two young men were reported to be preparing for the ministry. Five young women were taking nurses training.

The names of Lutheran students of our synod, attending schools in communities other than their own, were placed on the mailing list of the Kansas Synod Lutheran. An article for the Kansas Synod Lutheran was prepared in the interest of this department.

We wish to remind you of our Scholarship Fund. Please remember to make contributions to this fund, and be ready to recommend girls who are interested in full-time Christian Service for the scholarship.

Respectfully submitted,

Magdalen O. Havekost

Report of the Promotional Secretary

The Promotional Secretary served this past year as Chairman of the Midland Scholarship Fund Committee. A letter to each society was sent by the committee with reference to this project. The Fund again received support during the month of June through free will offerings from the local societies. However, there were no applicants for the scholarship.

Two articles were written for Kansas Synod Lutheran this past year, and a number of letters to individuals and societies in the interest of this department.

In October, the Triennial Objective was presented by this Secretary to the Eastern Conference Rally held at Atchison, Kansas, and in November a Thankoffering Message was given to King's Daughters Society, St. Mark's, Kansas City, Mo.

The coming year will be a difficult one from the standpoint of world affairs. Let us make the most of the time that is ours. Let us utilize the privilege we have of telling others the GOOD NEWS, of "telling forth" and "showing how" to people who are eager for something to do that is constructive.

Respectfully submitted,

Mrs. Henry H. Christiansen

Report on the Children of the Church

In August a promotional letter was sent to forty-two churches of the synod together with a request for information concerning the Children of the Church program.

Fifteen congregations responded as follows:

Two congregations use the C. of C. material every Sunday at 11 a.m..

One congregation—one Sunday a month at 11 a.m.

Two congregations—once a month during the Sunday School hour.

One congregation has a missionary program once a month during the Sunday School hour.

One congregation—every Saturday morning.

Four congregations conducted vacation schools using the C. of C. material.

Three congregations were planning to have a C. of C. Festival Program in November.

Other congregations expressed their regrets at not having a program because of transportation difficulties and the present lack of leadership.

By way of further promotion an article concerning the C. of C. was prepared for the January issue of the Kansas Synod Lutheran.

The Children of the Church program includes every children's group within the church from four years of age through eleven, and thru its offerings (which may be received during the regular Sunday School session, in the part of the envelope marked "For Others") gives children a part in the work of the church at large.

Its chief aim is to give extra time and thought to the Christian education of Children. The Children of the Church material is recommended for sessions other than the regular Sunday School hour, not as a substitution for the Christian Growth series or other regular Sunday School literature. The Missionary Education Movement material is also recommended. The organization of children's choir's and other activities are encouraged. Vacation schools are an especially effective part of the Children of the Church program.

Mrs. Mabel Fenner, Secretary of the C. of C., U. L. C. A., offers to all children's workers as much of the promotional material (pictures, stories, etc.) of the last six years as they can use, to be had for the asking and postage.

Respectfully submitted,

Sister Eleanor Blumberg

FOR CHRIST AND COUNTRY

Christian Education

MIDLAND COLLEGE TRAINS--

men and women to love Christ and serve country,
with all their heart: **LOYALTY**;
with all their mind: **INTELLIGENTLY**;
with all their strength: **POWERFULLY**;

FOR CHRIST--

From our Christian colleges, including Midland, there has been going forth, and must continue to go forth, a stream of intelligent and consecrated young men and young women, qualified and determined to serve Christ in all walks of life.

FOR COUNTRY--

In putting Christ into the hearts and minds of her students, Midland College is putting the steel of truth and integrity, and the cement of loyal citizenship into American life.

MIDLAND COLLEGE

Freemont, Nebraska

A standard, four-year, College of Liberal Arts and Sciences with added departments of business, education, music, journalism and theology.

WESTERN THEOLOGICAL SEMINARY

Freemont, Nebraska

Official Seminary for Eight Synods

"Of the Church, for the Church and by the Church" epitomizes the objectives of Western Theological Seminary.

The primary aim of theological education is to prepare men to serve the Church, in the ministry of the gospel and in other fields of activity to which the Church may call them.

Western in location, Western Theological Seminary prepares its graduates for their actual tasks in the rural and urban parishes of the Lutheran Church. However, graduates of Western are also serving throughout the world as preachers of the gospel, shepherds of souls, teachers of Christianity, trainers of the laity in works of serving love, congregational directors, community servants and loyal upholders of the Church.
